This event is always a great time for both members and their dogs... don't miss it! The day will begin at 10:30 am with fun, interactive games we will play with our dogs! We'll then break for lunch and a membership meeting at noon, with field training opportunities/set-ups for all levels of dogs to follow in the afternoon. *** We can have pigeons or chukars available for puppies and/or novice dogs – let us know by Wednesday, June 10th, if you would like these birds available for you and your dog! ***
